I think it is better to lay down some principle
The Comr has to maintain a car therefore the
conveyance allowance may remain ~~at Rs 100/-~~ ^{as Rs 100/-}
with regard to Assistant Engineer & other officials
they may not be in a position to maintain cars
Some of them may maintain motor bicycles
while some others, only push cycles therefore
the following rates of conveyance allowances

may be fixed for the several officers		C & A to be given Rs		conveyance to be maintained	Rs	Rs	Rs
Officer						9/- a Motor Bicycle is maintained	9/- a push bicycle is maintained
1	Comr		100	Motor Car	50	20/- (Twenty)	20/- (Twenty)

26) I have suggested Rs 20 (Twenty) to 15th class officers as C & A if they maintain push bicycles because, they are officers and they have to keep the bicycles in a more decent condition. Further, there may not be any occasion for them to maintain a bicycle but, there may be circumstances, when some officers may require him to purchase a car for one or two months during that period. There may

Dear Sir,

SUBJECT:- Conveyance Allowance of Rs 50/- per mensem
requested for by me, for my itineration work

With reference to the above subject, I write to inform you that in this office No H 780/55-56 dated 21st December, 1954 I had requested for the sanction of a Conveyance Allowance of Rs 50/- only per month with effect from 21st December, 1954 as I maintain a push cycle only, instead of Rs 75/- per month, sanctioned to the post which entails the maintenance of a Motor Cycle for the itineration work

The above subject was placed before the Municipal Council at its meeting held on 28th December, 1954 and the same was unanimously sanctioned by the Council with effect from 21st December, 1954

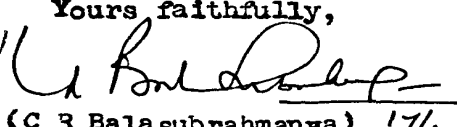

It is already five months nearly since then, and yet I have not been permitted to draw the same

In this connection I may mention that the other sectional Officers are all drawing a similar Conveyance Allowance and the jurisdiction is also the same

On my coming over here I purchased a Push Cycle and in that case I had to raise a loan, which I have not been able to redeem so far. Also the cost of living in Davangere City is exorbitant and if I am not allowed to draw the above Conveyance Allowance, it will really be a hardship to me financially

Under these circumstances I request you kindly to permit me to draw the Conveyance Allowance requested for with effect from 21st Dec '54

The present Health Officer of Davangere Municipality, Dr C R. Balasubrahmanya, M.B.B.S., DPH, assumed charge of his office in the afternoon on 20th Dec' 54

This post carries a monthly Conveyance Allowance of Rs 75/- only, provided Motor-Cycle is maintained

Immediately the Health Officer reported for duty at this Municipality, he wrote to the Municipal Commissioner in his office No H 780/54-55 dated 21st Dec' 54 to the effect that he cannot maintain a Motor-Cycle for several reasons, that he would do the itineration on a push-cycle and as such he may also be sanctioned a reduced monthly conveyance allowance of Rs 50/- only as is being paid to the other sectional officers like the Revenue Officer and Assessing Officer. The subject was placed

2d Council at its monthly meeting held on 28th Dec'54 and the subject of sanctioning a reduced monthly conveyance allowance of Rs 50/- only to the Health Officer was unanimously passed by the Council.

Though so, and though full 9 months have elapsed since then, the Officer has not been allowed to draw the allowance as the same is pending kind sanction of Government. In this connection the office of the Municipal Commissioner has also written several times to the Secretary, Local Self Government, Bangalore, but so far now Government sanction has been accorded.

At present the Health Officer has been allowed to draw just his basic pay and the high price allowance. I need not describe to you the several financial handicaps that the Health Officer has been made to face on account of no conveyance allowance being sanctioned to him.

I may here mention that the other sectional officers (the Revenue Officer and the Assessing Officer) are all drawing a conveyance allowance of Rs 50/- only, and the vehicle maintained by each of them, too, is just a push-cycle.

The work of the Health Officer is absolutely satisfactory. He is a hard working, sincere, and efficient officer. After his assuming charge, the Health Section has been well organised and is working efficiently. It is a pity that he has been put to great handicap on account of the fact that his conveyance allowance question is not yet settled by the Government though, long pending.

Under these circumstances, I request you kindly to see that early Government orders are being passed in this regard. Thanking you.

Trust this finds you well.
